

Changing the SolidWorks

Student Design Kit Serial Number

Any existing customers may change their serial number now to: <u>9020 0031 1111 2244 5Y4N D2F9</u>. The 2010-2011 SDK will be available on the regular download site (<u>www.solidworks.com/europeansdk</u>) through August 31st 2012.

- 1. This document outlines how to change the SolidWorks Serial Number for an existing Student Design Kit install.
- 2. The full ADMINISTRATOR logon must be used to change the serial number for SolidWorks
- 3. Navigate to the "Control Panel" and "Add/Remove Programs".

Scroll down to SolidWorks 2010 and click "Change" (see Figure 1).

13. You will the see a dialogue box stating the expiring date will be 08/31/2012 which is the 31st of August 2012.

SolidWorks Student Design Kit 2010

is now correctly installed and Activated

using the new Serial Number

Errors

If an error occurs in the setup, reboot the computer and logon as Administrator. Start going through the install again. It will pick up where it left off.
